Saunas making you better

A close-up, low-angle shot of a woman with long brown hair lying down, eyes closed, in a state of relaxation. She is resting her head on a folded white towel. The background is a dark wooden surface. In the lower right corner, there are sprigs of purple lavender and a slice of a yellow lemon. A semi-transparent dark grey box with rounded corners is positioned in the upper right, containing the text.

Focus on wellness

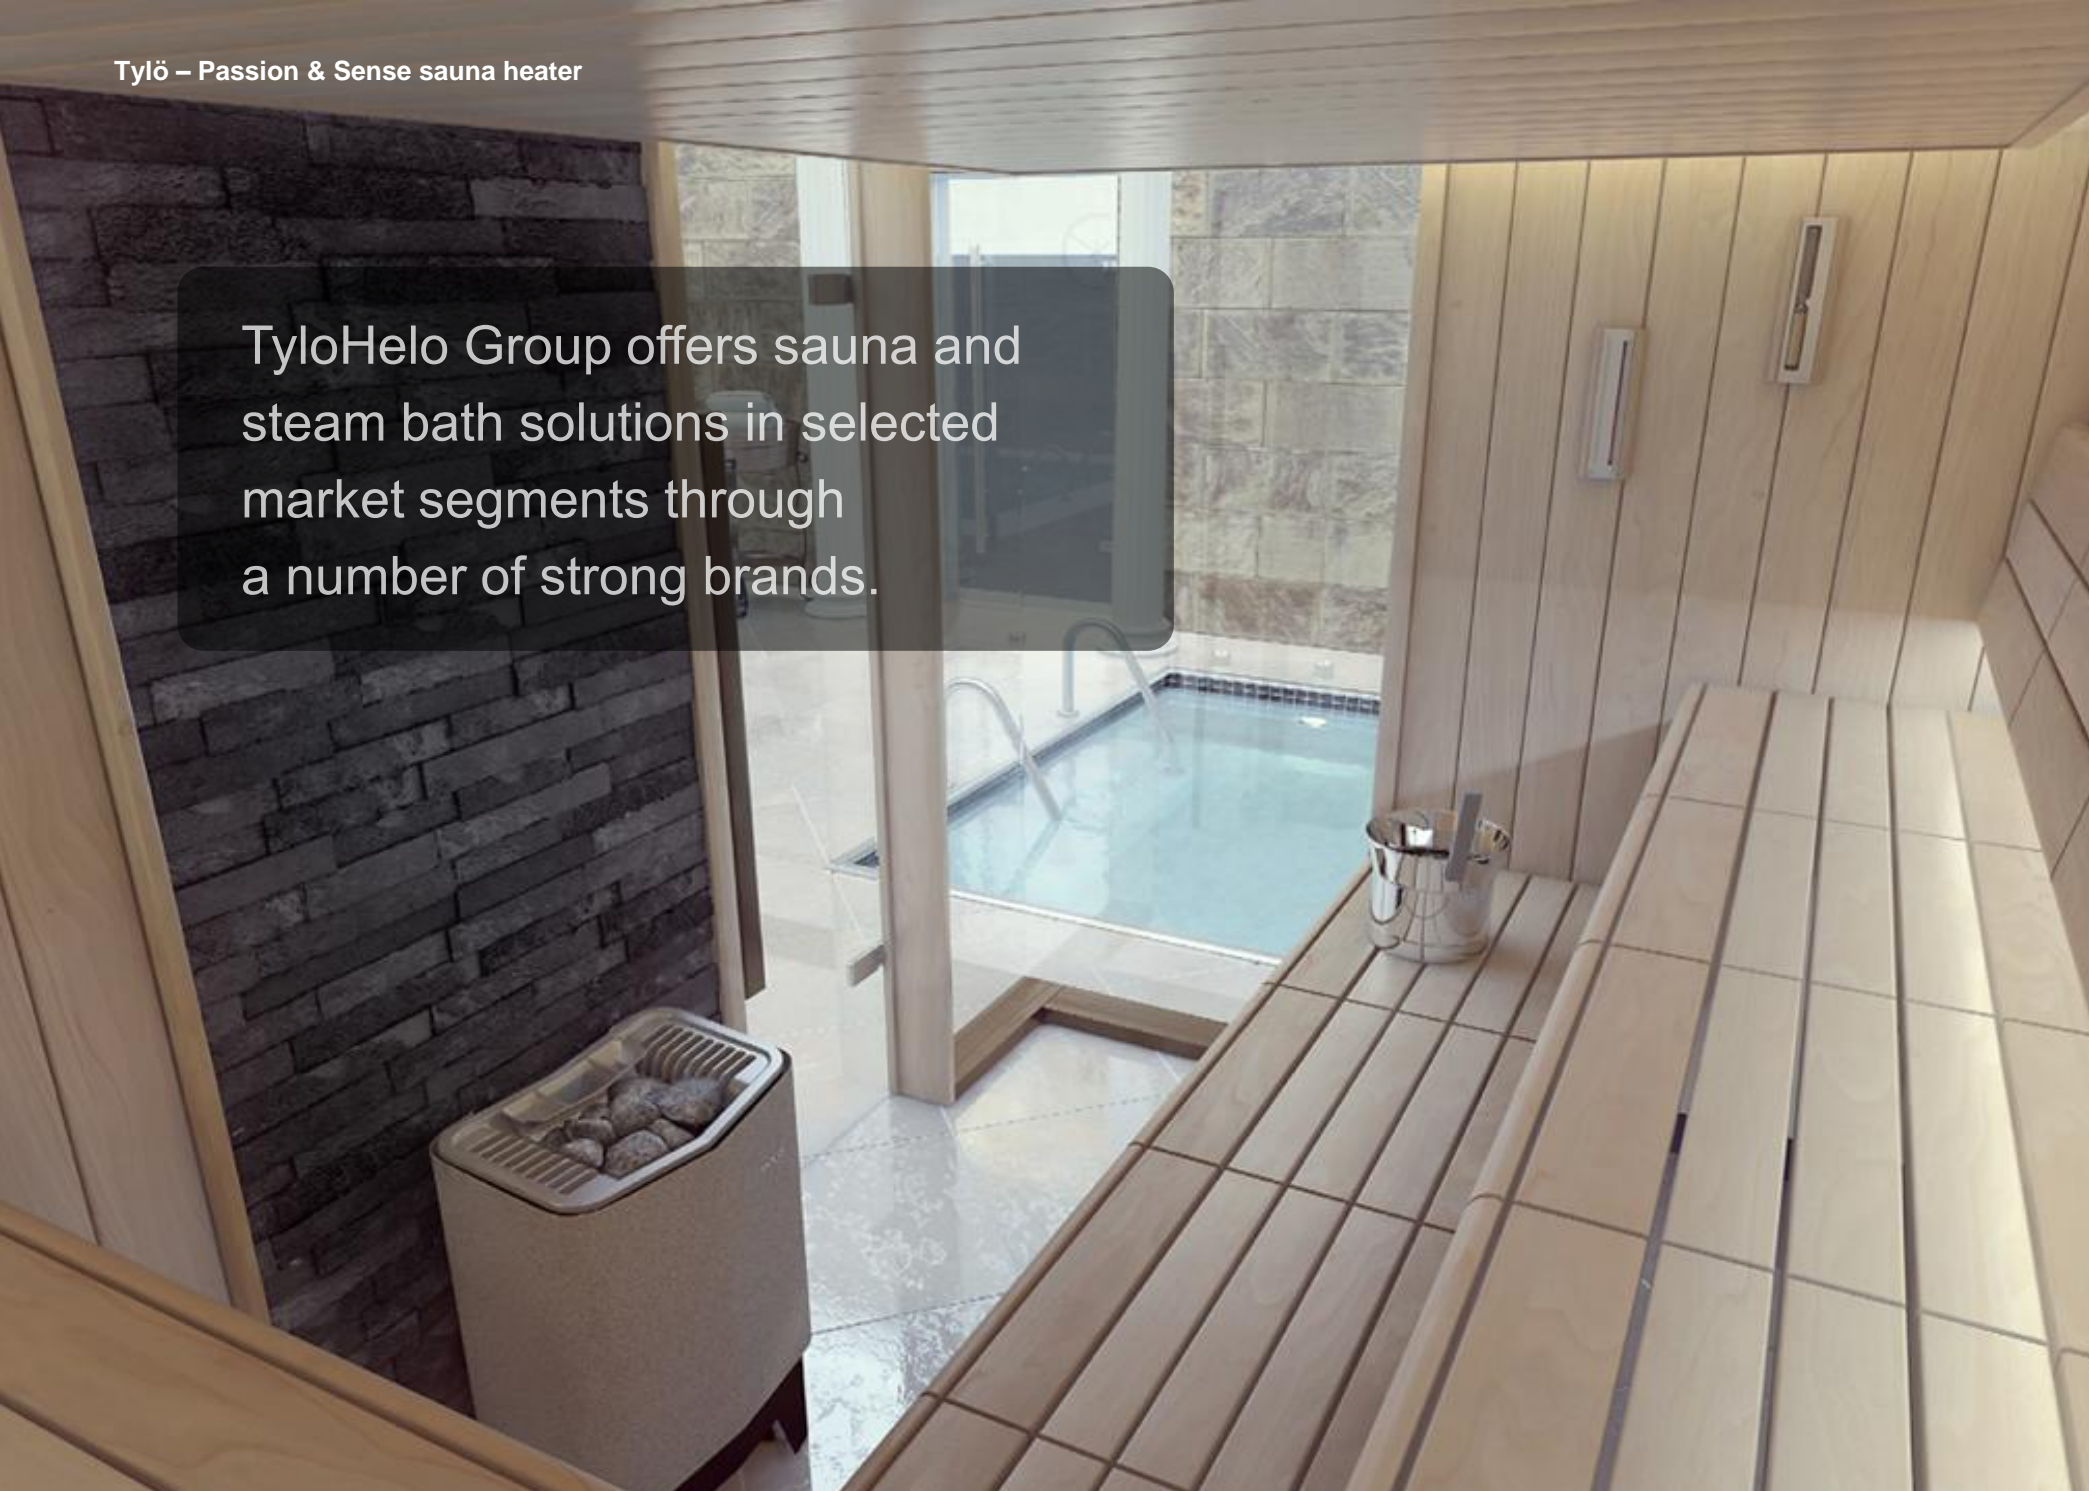

"As the first choice of discerning buyers worldwide, we take an uncompromising approach to innovation, aesthetics and quality."

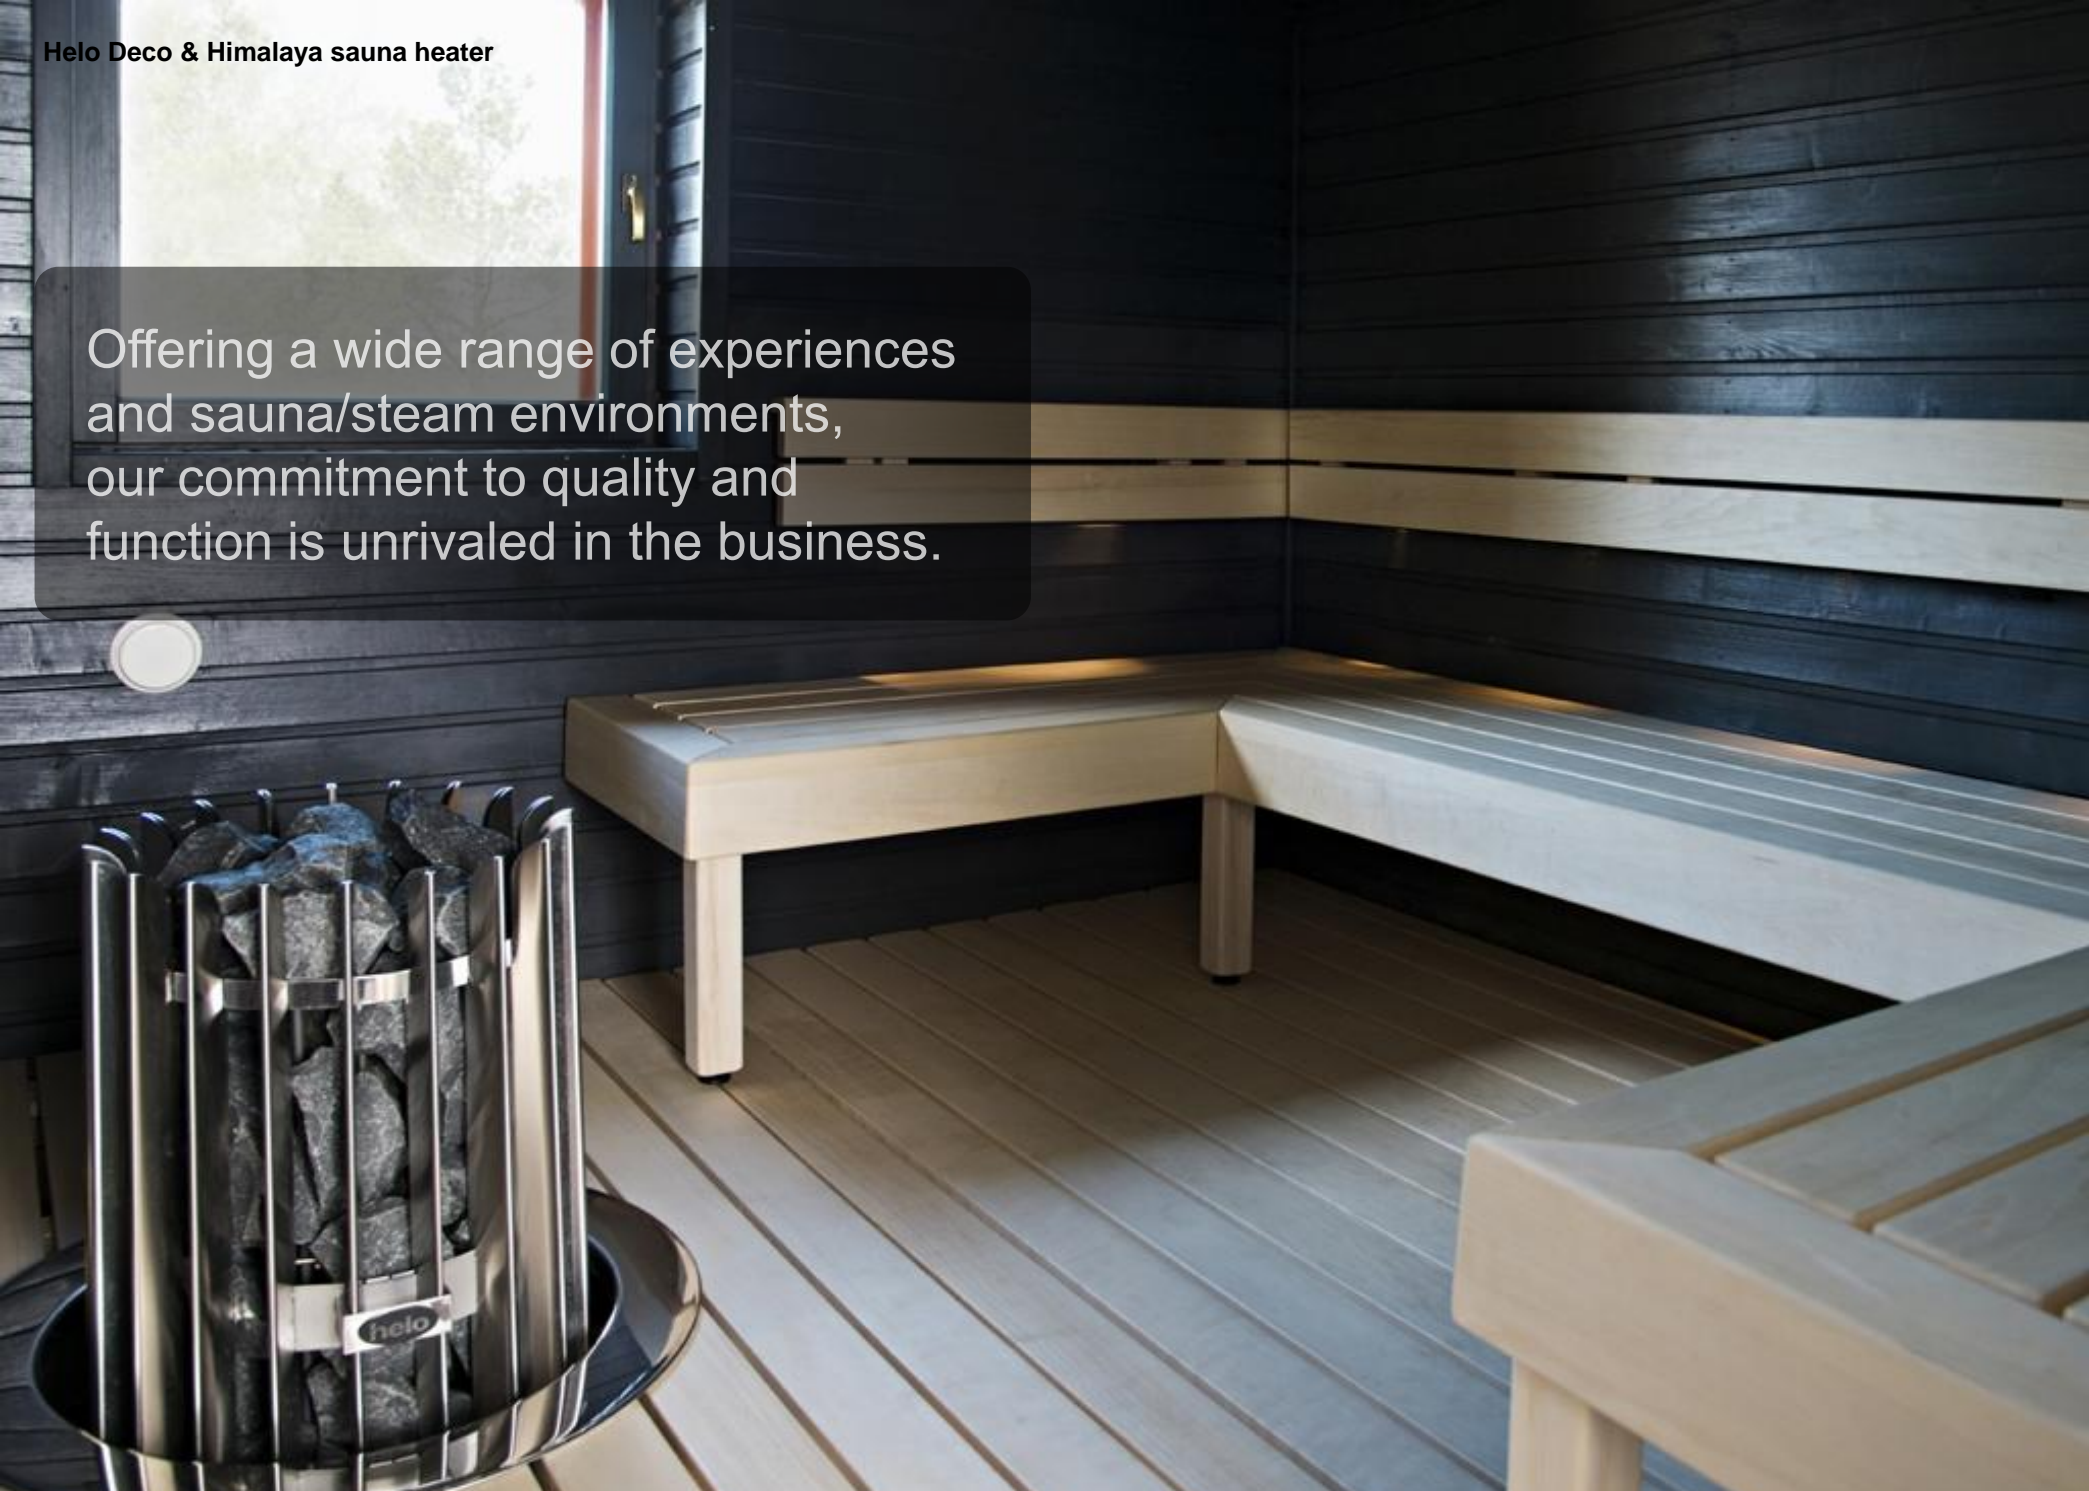

A personal oasis is a reflection of the individual; its subtlety persistent, its promise unwavering, its innovation without compromise.

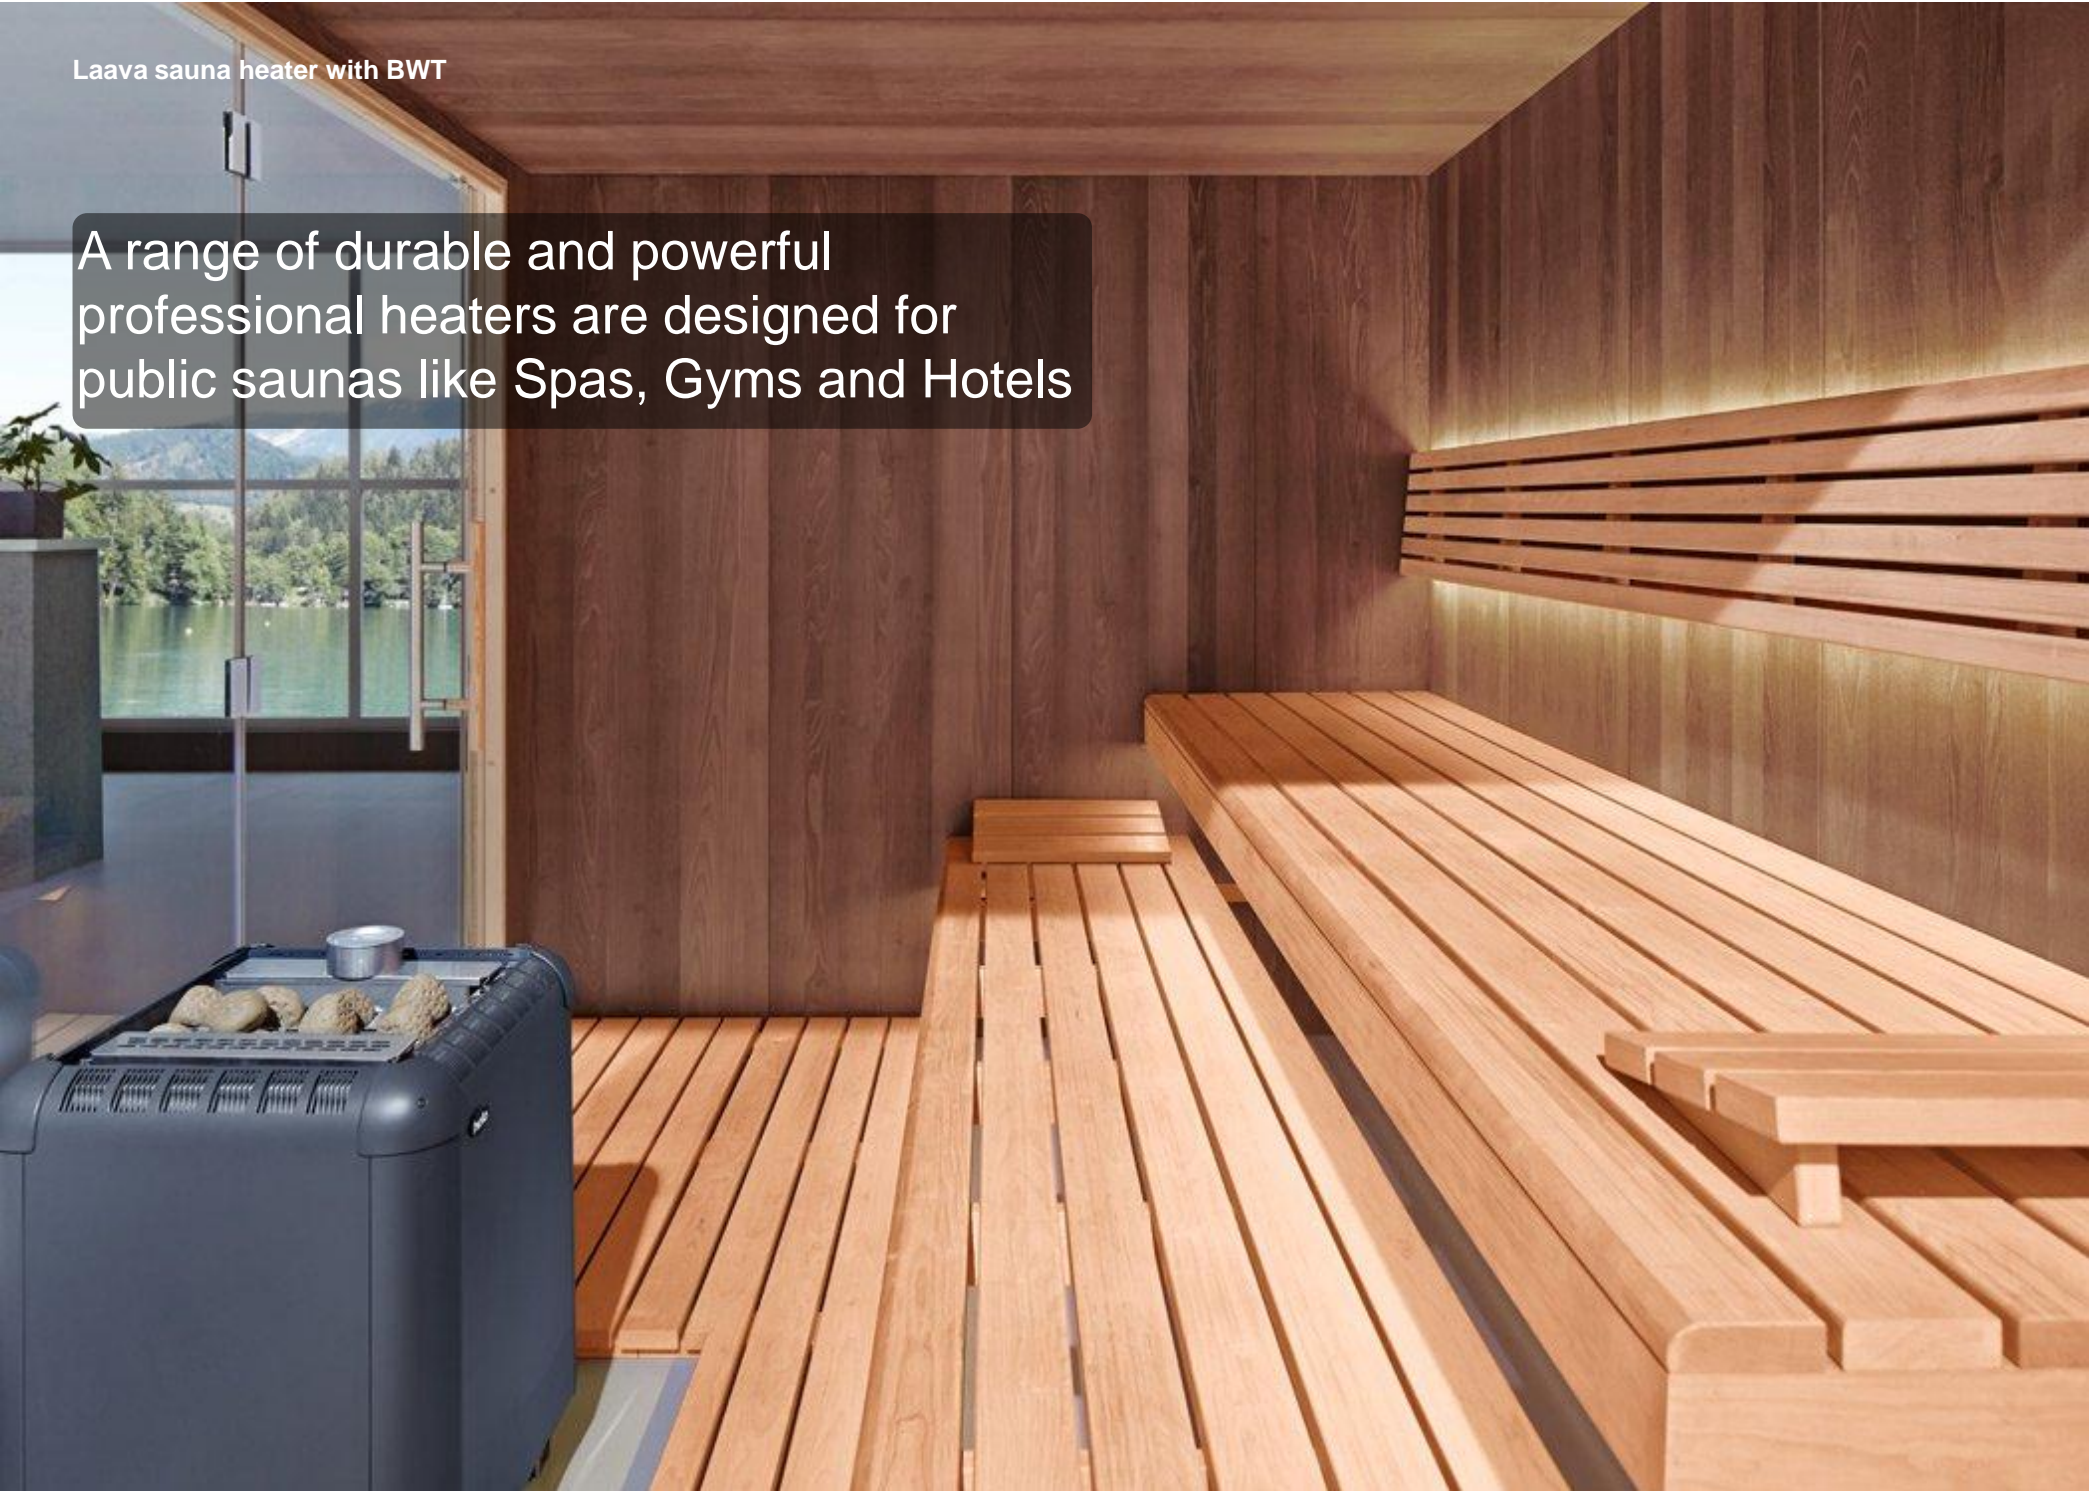

TyloHelo Group offers sauna and steam bath solutions in selected market segments through a number of strong brands.

Offering a wide range of experiences and sauna/steam environments, our commitment to quality and function is unrivaled in the business.

A range of durable and powerful professional heaters are designed for public saunas like Spas, Gyms and Hotels

A photograph of three women in white bathrobes relaxing on a patio. They are sitting on purple towels on a grey tiled floor. In the foreground, there is a tray with a glass pitcher of water with lemons, a glass of red wine, and some spa products. A large, rustic-style vase with dried branches is in the background. The scene is set in front of a modern building with large glass windows and wooden slats.
